Account Inactivity Fee

ForexCT may in its absolute discretion charge an Account Inactivity Fee. An account will be treated as an inactive account where no transactional account based activity has occurred for a consecutive period of 60 days i.e. the opening, closing or holding a position overnight and / or the depositing or withdrawing of funds from the account.

If your account is designated as inactive, there will be a rolling monthly fee. We will notify you via email of this fee and amount before the first fee is deducted.

The fee will only be applied to accounts that still hold funds or have positive Account Equity.
